Purpose built to provide a spacious 1100 square metre area, the Imperial Suite is ideal for large corporate events, banquets and seminars with a capacity of up to 950. The suite is lavishly decorated with state of the art audio visual facilities, ornate plaster ceilings and magnificent crystal chandeliers. Completely refurbished in 2004, it is a true masterpiece of design & function.

The newly refurbished and extended Britannia Suite can accommodate up to 950 delegates. The ability to partition the room into three, further adds to its flexibility. The Trafalgar Suite is an ideal setting for lunches and receptions; it can also act as a pre-function room for the Imperial Suite.

The Manxman and Compton Suites both exquisitely decorated, with the ability to accommodate up to 350 each, the Manxman also works as a pre-function suite to the impressive Britannia Suite. The Ballacraine and Bracebridge suites will each accommodate 250 for a reception, while the Balcony Suite and Ward Room provide a more intimate atmosphere for smaller parties. Other suites, all sumptuously appointed, are also available.
